

All That I Want

VERSE

Life would be worthless
Hopeless uncertain without you
All that has bound us
Dissolves in Your presence here
My heart is captivated by Your glory, Lord
And all that I desire is to know You more

CHORUS

All that I want, all that I need
Is Jesus, Oh Jesus
All that I hope, all I can see
Is Jesus, Oh Jesus

VERSE

Glorious Savior
Creator, Sustainer of all things
Gracious Redeemer
Come now and meet us here
My heart is captivated Lord, by Who You are
And all that I desire is to know You more

BRIDGE

Kingdoms rise and kingdoms fall
Mercy holds me through it all
Mighty King I stand in awe of you
Seasons come and seasons change
Faithful God you still remain
My constant hope, my song, my praise my truth
