

# Throne Room

## Intro:

**Gm** // // // **Eb** // // // **Bb** // // // **Bb** // // // (x2)

## Verse 1:

**Gm**                      **Eb**                      **Bb**  
All of Heaven shines, reflecting Your splendor  
**Gm**                      **Eb**                      **Bb**  
Angels stand in line to worship their King  
**Gm**                      **Eb**                      **Bb** **F**  
So then who am I to come into Your presence  
**Gm**              **F**              **Eb**              **Bb**              **F**  
Dressed in imperfections and ask for anything

## Chorus:

**Bb**                      **F**              **Gm**                      **Eb**  
Break every chain, wash every stain  
**Bb**              **F**              **Eb**  
I need You, I need You  
**Bb**                      **F**              **Gm**                      **Eb**  
Search me, oh God, cleanse every thought  
**Eb**              **F**              **Eb/G**  
Take this heart of mine  
                                 **Gm**                      **Eb**                      **Bb**  
And make it Your throne room

## Verse 2:

**Gm**                      **Eb**                      **Bb**  
Reign within this soul that You have created  
**Gm**                      **Eb**                      **Bb**  
A kingdom of Your own that echoes with praise  
**Gm**                      **Eb**                      **Bb**                      **F**  
May Your name be known as Your grace reveals glory  
**Gm**              **F**              **Eb**              **Bb**              **F**  
And let the world just marvel at mercy on display

**Chorus:**

**Bb            F            Gm            Eb**

Break every chain, wash every stain

**Bb        F    Eb**

I need You, I need You

**Bb            F            Gm            Eb**

Search me, oh God, cleanse every thought

**Eb            F            Eb/G**

Take this heart of mine

**Gm**

And make it Your throne room

**Bridge:**

**Ab            Eb            Bb**

Lord I stand in awe of Your majesty

**Ab            Eb            Bb        F**

As Your kingdom comes, let it come in me

**Chorus:**

**Bb            F            Gm            Eb**

Break every chain, wash every stain

**Bb        F    Eb**

I need You, I need You

**Bb            F            Gm            Eb**

Search me, oh God, cleanse every thought

**Eb            F            Eb/G**

Take this heart of mine

**Bb            F**

Take this heart of mine

**Eb            F            Eb/G**

Take this heart of mine

**Gm            Eb            Bb**

And make it Your throne room

**Gm            Eb            Bb**

And make it Your throne room

**Eb            F            Bb**

Take this heart of mine
