

What Love Is

VERSE

Love is patient, love is kind
It doesn't envy or boast in pride
Love's forgiving and love restores
Love is all of this and so much more

CHORUS

It's the rescue from the wreckage
It's the shelter from the storm
An array of brilliant colors
In a world that's dark and torn
In the middle of the chaos
Lord, remind my heart of this
I can rest here in Your promise
'Cause that's what love is

VERSE

Fading embers set ablaze
Captive prisoners freed from chains
A sinner's ransom, a Savior's tears
Love is Who He is and Love is here

BRIDGE

It's a hill that you climbed
It's a cross that you carried
It's a grave you denied
Where death is still buried
