ANNOUNCEMENTS

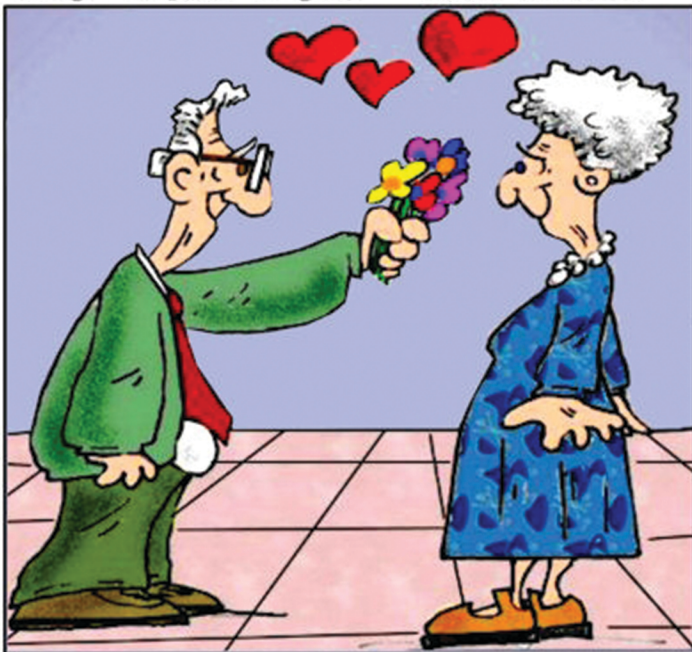

There are about 4 spots still available for the Planning Center Training on February 18. Please see Marie ASAP if you wish to take one of these final spots.

If you registered for the Planning Center Training, please come to the fellowship hall immediately following Connection Groups on February 18 (one week from this Sunday). We will start promptly at 11:00. Please bring whatever devices you use to access Planning Center - laptop, tablet, or smartphone. We will get everyone on Wifi so you can follow along during the training for that "hands-on" practice.

Please place all Christmas books on the upstairs table in the appropriate stack over the next couple of weeks so that we can get this sorted and put away.

Please remember to blockout dates and respond to scheduling requests, especially if you are on welcome team.
